

## **A Collaborative Approach to Supporting People with Coronary Heart Disease and Depression / Anxiety**

This webinar is accredited for Continuing Professional Development as follows:

**Royal Australian College of General Practice:** The activity ID is 773018. It has been allocated 4 category 2 points.

**Australian College of Rural and Remote Medicine:** ACRRM accreditation pending for new triennium.

**Australian Psychological Society:** APS Members can accrue Continuing Professional Development (CPD) hours by participating in CPD activities that they determine to be relevant to their individual professional skills, learning plans and goals. These may be self-initiated. CPD activities do not need to be endorsed by the APS.

**Royal Australian and New Zealand College of Psychiatrists:** Royal Australian and New Zealand College of Psychiatrists: RANZCP members are able to claim hours spent under Section 4: Self Guided Learning.

**Occupational Therapy Australia:** Occupational Therapy Australia joined the National Registration and Accreditation Scheme on July 1, 2012. As such, responsibility for CPD compliance has transferred to the Australian Health Professions Regulatory Authority (AHPRA) and currently neither AccOT nor AHPRA are accrediting courses for CPD points.

We will still be issuing attendance certificates for all our webinars, and you should still be able to claim professional points or hours accordingly as self-guided or self-directed learning. For more information please go to the [Occupational Therapy Board website](#).

**Australian College of Mental Health Nurses:** This activity has been endorsed for 2 CPE points by the ACMHN Accreditation Committee for Endorsement.

**Australian Association of Social Workers:** AASW members who participate in MHPN networks and webinars should record hours of attendance/completion of activities to be eligible for self-directed CPD recognition.

**Pharmaceutical Society of Australia:** Pharmacists can self record the MHPN activity as a professional development via the PSA website [www.psa.org.au](http://www.psa.org.au).
